* Enhancement complementary feeding rate at six months from the current level 33.5 per cent (as per NFHS-2) to 75 per cent.

* Bringing down the prevalence of under-weight in children from the current level of 47 per cent to 40 per cent.

* Reduction in prevalence of severe under-nutrition in children in the 0.6 years age group by 50 per cent.

Monitoring of items of Ministries

320. SHRI C. RAMACHANDRAIAH : Will the PRIME MINISTER be pleased to state :

(a) whether it is a fact that PMO has selected over a hundred items from various Ministries for regular monitoring;

(b) if so, the details of the items identified;

(c) the progress observed by the Prime Minister;

(d) whether it is also a fact only half of the items have recorded impressive performance;

(e) if so, the reasons for the lack of progress in the rest of the items; and

(f) the steps being taken for uniform progress of these subjects?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI SATYABRATA MOOKHERJEE) : (a) and (b) 31 Thrust Areas relating to schemes and projects have been identified for monitoring by the Prime Minister. A list of these 31 Thrust Areas is given in the enclosed statement (*See* below).

(c) to (f) The over all performance of implementation of these Thrust Areas is observed to be satisfactory. The performance of the Thrust Areas involving participation of a number of agencies and the State Governments, however, indicates further scope for improvement. Thrust Areas requiring involvement of multiple agencies and participation of various State Government authorities are expedited through coordination meeting at higher levels. In some Thrust Areas, Group of Ministers monitors to expedite the concurrence and views of the participating agencies.

Statement

Monitoring of Items of Ministries

Thrust Areas to be monitored by Prime Minister

No.	Ministry/Department	Proposed Reform
(1)	(2)	(3)
1.	Administrative Reforms/Information Technology	Monitor and expedite finalisation and subsequent implementation of National Action Plan on e-governance-Work out and monitor time lines for various proposed action. Similarly address issues related to setting up of NISG.

31.	Water Resources/Law	Enact Central Legislation for control of ground water exploitation and rain water harvesting and encourage States to adopt model bill to regulate/develop ground water resources.

Schemes for backward and naxalite affected areas

321. SHRIMATI AMBIKA SONI:
DR. T. SUBBARAMI REDDY:

Will the PRIME MINISTER be pleased to state:

(a) whether Government are considering to take steps and chart out plans for development issues;

(b) if so, what are the priority agenda for this;

(c) whether Prime Minister has offered a special gift to people living in 25 most backward districts by providing for them Rs. 15 Crore per year;

(d) if so, whether during Tenth Plan period, Rs. 45 crore would be spent in each backward district;

(e) whether in coming three years, Rs. 5,940 crore would be spent to develop 132 poorest and Naxalite infested districts in the country; and

(f) by when the development of these districts would start?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI SATYABRATA MOOKHERJEE): (a) Yes, sir.

(b) The Planning Commission has launched a new initiative in the Tenth Plan, namely, the backward Districts Initiative under the Rashtriya Sam Vikas Yojana. Under this Initiative, 100 most backward districts in various States have been identified. In addition, 32 districts affected by Left Wing Extremism have also been identified. The main objectives of the scheme are to address the problems of low agricultural Productivity, unemployment and to fill critical gaps in physical and social infrastructure.
